OLD BUSINESS
ITAB Report:

Web Standards Subcommittee:
- Reviewed 29 agency and 159 commissions/boards websites (homepage only)
- Evaluated for compliance with DMD Guidelines, Standards and Best Practices in 8 areas
- Each agency/commission/board will receive a confidential report on the findings for their website
- The report includes a link to the evaluation criteria for each of the 8 areas that were tested so the agency's web staff can make the appropriate corrections
- The test criteria should be standard practice for all agency web pages

Server Migration Update:
- The migration plan to move the state's web services from the services server in the State Data Center to a new server at MORENet is progressing.
- A contract for disk storage on MORENet's new server is being finalized
- If you have any concerns/questions contact Pete Wieberg – OA/ITSD at pete.wieberg@oa.mo.gov

Second Life:
- State of Missouri job fair – 2/15

http://www.disabilityinfo.gov
- Federal disability portal with links to each state's disability web services. The links are divided into 9 functional categories.
- Agencies are requested to check their links for corrections and/or additions

State of Missouri Online Services:
- Agencies are requested to review their online service links from the state's homepage and send any changes, additions or deletions to oahelpdesk@oa.mo.gov.
